- Since 6 April 2017 any employer with pay bill of £3M or more has been paying an Apprenticeship levy. (0.6% of payroll bill)
- Levy money can be used to fund a new or existing member of your team to Foundation Degree, Bachelor Degree and Masters level qualification
- Companies report increased employee satisfaction, reduced staff turnover, reducing recruitment costs

Why Apprenticeships?

- Our patients need us to
- It's the open door to push on
- We needed to act fast before another group registered interest
- Trailblazing gives us some degree of freedom

Steve McNeice

Progress on the Degree Level Apprenticeship so far

Healthcare Apprenticeship Standards Online

Welcome!

Skills for Health is facilitating the development of several apprenticeship standards for use in the health sector. Health sector managers in England can use this site to find a wide range of apprenticeships to train staff in clinical and non-clinical roles. Use Healthcare Apprenticeship Standards (HASO) online to:

- Search for standards
- Respond to consultations
- Keep up to date with news

If you need bringing up to date on why apprenticeships are changing or want to know more about the process for developing standards, click [here](#).
