We are seeking Prosthetists/Orthotists to undertake the role of Visitor.

What do Visitors do?

Tracey Samuel-Smith, HCPC Education Manager explains 'Visitors are responsible for visiting and assessing existing and proposed education and training programmes delivered by education providers. Visitors make a real difference to the work we do. Visitors also provide recommendations to the HCPC's Education and Training Committee regarding the approval of programmes.'

Visitors must be current registrants and should have an understanding of Quality Assurance in Higher/Further Education or a clinical environment, as well as teaching, learning and assessment in an educational or clinical environment. We in particular invite those who are currently experienced in supervising students in their current workplace to apply for this role.

We expect visitors to commit to around 5 days per year. The length and notice for providing services are variable and can fit most diary commitments and working patterns.

If you are successful, you will be required to attend mandatory training prior to commencing your role.
