Christchurch

[Christchurch City](#) is the largest city in the South Island of New Zealand. It is known as the "Garden City" because of its many beautiful parks, gardens and tree-lined streets.

Christchurch has been through some huge changes over recent years; you will find new architecture, bars, restaurants and theatres alongside some of the oldest buildings in New Zealand, and inner-city parks and gardens.

The Avon River runs through the city and it is surrounded by beaches on the east coast and beautiful mountain ranges to the west.

Christchurch is a vibrant and cosmopolitan city and a great starting point for exploration of the many beautiful attractions and outdoor opportunities in the South Island.
