

International Trade Show and World Congress

27 – 29 October 2020 worldwide digitally

clock

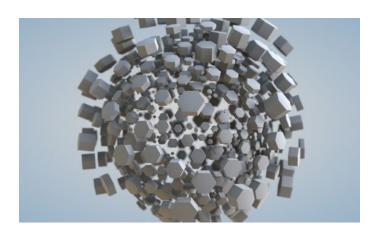

Make a powerful statement: **OTWorld Innovation Showrooms**

Find **modern and interactive** ways to present your product and brand identity in the new digital Innovation Showrooms. Visitors from around the world will digitally travel to the heart of the virtual OTWorld and discover your products in the Innovation Showrooms. From the centre of the virtual OTWorld, digital visitors will go directly to your Showroom, where they can find out about your services up to **3 months after the event. Themed tours with experts** are also being planned.

Immerse yourself in the virtual world of the OTWorld Innovation Showrooms.

Sample representation
