

WE'RE HIRING

EXPERIENCED CLINICAL PROSTHETIST

Position available at APC Prosthetics

APC Prosthetics has been one of Australia's most innovative prosthetics practices since its establishment in 1998. We service a diverse client load across our four state-of-the-art facilities in Sydney, Newcastle and the NSW Central Coast. APC Prosthetics have been pioneers in diverse areas such as osseo-integration, TMR, sporting solutions and paediatric care throughout our 22-year history. Our current team of 20 clinicians have collective experience exceeding 250 years.

A unique mix of lifestyle and professional growth awaits the successful candidate. State-of-the-art working environments, together with industry leading benefits and comprehensive immigration supports are offered. If you are truly passionate about prosthetics, wish to join a close-knit team dedicated to optimal client outcomes, and have a desire to build a successful long-term career in the prosthetic profession in Australia, APC Prosthetics would like to speak with you.

Key Responsibilities

- Independently provide a complete prosthetic treatment tailored to meet client requirements and goals.
- Utilise new and existing technologies to provide best practice evidence-based care.
- Build and strengthen relationships with health practitioners in the region.
- Coordinate and conduct clinics at off-site locations.
- Contribute to a safe, clean and secure work environment for all staff.
- Collaborate with and share knowledge with other staff members.

Desired Attributes

- Effective time management
- Team work
- Effective communication skills
- Attention to detail
- Problem solving skills
- Technical manufacturing skills preferable but not essential

If you are interested in exploring the role, please contact Harvey Blackney at APC Prosthetics via hblackney@apcprosthetics.com.au.
