

Blatchford

Blatchford is a multi-award-winning manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices. Our evidence-based approach and commitment to continuously challenge possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users. Through science, technology, and maintaining a clear focus on people, we make mobility possible.

Orthotist, West Midlands Rehabilitation Centre, Selly Oak, Birmingham

We have a great opportunity for an **Orthotist** to join our experienced team at the West Midlands Rehabilitation Centre.

The varied nature of the role provides a clinically challenging environment and is a great opportunity to develop your skills and career in a highly rewarding role. Working as part of a multi-disciplinary team, you will have a patient centred approach to service delivery. Leading on clinical care pathways, you'll deliver high quality care and outcomes to a complex patient load. You will need to work closely with Trust consultants and NHS managers to deliver effective, quality driven orthotic services.

The role includes:

- Providing excellent orthotic care within general orthotic clinics
- Use of CAD scanning for measuring and orthotic design
- Supporting Blatchford services by contributing to our national care pathways, protocols, and leadership on orthotics
- Mentoring and supervision of undergraduates and graduates
- Opportunity to work closely with the manufacturing team in Sheffield

Ideally, you'll have a minimum of one year's post-graduate experience. You'll also be a forward-thinking clinician with a passion for delivering exceptional patient care, managing quality services and proactive in-service development.

Your flexibility and innovative approach, combined with your high professional standards will contribute to maintaining our excellent reputation for providing patient satisfaction, and will help to maintain the reputation of our brand.

Applicants must be degree qualified in Orthotics/Prosthetics and be HCPC registered. BAPO or ISPO membership is desirable, though not essential.

If this sounds like the type environment you would love to be a part of and you are an ambitious clinician who is looking for a new challenge with an industry leading employer, we want to hear from you!

Please forward your CV to recruitment@blatchford.co.uk

Closing date for applications: 26 November 2021
