Orthotist, Northern General Hospital Sheffield

This is a great opportunity for an experienced Orthotist to join our specialist team based at the Northern General Hospital, Sheffield.

Joining this team will allow you to develop your experience in all areas of orthotics, including:

- Paediatrics
- Spinal
- Diabetic
- Complex patients

This is a varied role in a clinically challenging environment that offers real opportunity for further development. As a member of a strong multi-disciplinary team, you'll use your clinical skill and experience to contribute to the delivery of a first class Orthotic Clinical Service.

We are looking for an Orthotist with broad-based post-graduate experience who's looking for a new opportunity in which they can really develop and contribute. You'll therefore:

- Be fully competent in lower limb orthotics;
- Have some experience in paediatrics, spinal and/or diabetics;
- Be forward thinking;
- Be passionate about delivering exceptional patient care, managing each patient's case to deliver appropriate and effective treatment;
- Have a flexible and innovative approach; and
- Work to the highest professional standards demonstrating care and integrity.

A clinical speciality would also be useful, as would previous experience of audit or service evaluation.

Your contribution to ensuring full patient satisfaction will help to maintain our excellent reputation and allow you to achieve the rewards of this unique role.

Applicants must be degree qualified in Orthotics/Prosthetics and be HCPC registered. BAPO or ISPO membership is desirable, though not essential.

If this sounds like the type environment you would love to be a part of and you are an ambitious clinician who is looking for a new challenge with an industry leading employer, we want to hear from you!

Please forward your CV to recruitment@blatchford.co.uk
