

Blatchford

Prosthetist / Dual Practising Clinician

Blatchford is a multi-award-winning manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices. Our evidence-based approach and commitment to continuously challenging possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users. Through science, technology and maintaining a clear focus on people, we make mobility possible.

We now have a great opportunity for an experienced Prosthetist or Dual Practising Clinician to join our existing team in Brighton. Working as an integral member of a strong MDT in this busy centre, you'll have the opportunity to further develop your experience in all areas of prosthetics and orthotics. The centre provides orthotic clinics for adult neuro- rehabilitation patients which run independently and support the specialist consultant neurological and spasticity clinics. Our inpatient service providing bespoke orthotics is gold standard, and you must be capable of rectifying your own casts for this clinic.

As an experienced Prosthetist or Dual Practising Clinician, you will:

- be competent in all lower limb prosthetics.
- have experience in delivering a wide range of prosthetic and/or orthotic clinics.
- be capable of rectifying your own casts.
- be experienced in audit or service evaluation.

The varied nature of the role provides a clinically challenging environment meaning it's a great opportunity to further develop your skills and progress your career. The team supports innovation including scanning and service development through evaluation, patient engagement, outcomes and research.

To succeed in this role, you'll be an experienced Prosthetist or Dual Practising Clinician who thrives in a team environment. You'll be forward thinking with a passion for delivering exceptional patient care, managing individual cases to deliver the most appropriate and effective treatment. Your approach will be flexible and innovative and you'll work to the highest professional standards to maintain our excellent reputation and ensure full patient satisfaction.

You must be degree qualified in Prosthetics & Orthotics (or equivalent) and be registered with the Health & Care Professions Council (HCPC) in the UK. Membership of BAPO or ISPO is also desirable, but not essential.

We offer:

- a competitive salary
- the support of an experienced team
- dedicated CPD time
- contributory pension
- cycle to work scheme.

Relocation support will be available if required.

Closing date: 22 April 2022
