

## Prosthetist - Ringwood, Hampshire

**Highly competitive salary/package dependent on experience.**

We are pleased to offer an exciting and challenging opportunity to work as a Prosthetist at Dorset Orthopaedic (part of the Otto Bock group), a leading independent clinical provider of private prosthetic, orthotic and rehabilitation services across the UK.

The successful candidate would be based at our Ringwood Clinic in Hampshire, located on the edge of the New Forest and only 10 miles from Bournemouth and its surrounding coastline. They may also at times be required to travel to carry out satellite clinics located throughout the south of the country.

We are looking for an enthusiastic Prosthetist with high clinical standards and a want and desire to provide the most appropriate solutions to our wide variety of clients. Applicants should be highly motivated and excel in problem solving and solution-led treatment.

We have access to a complete range of prosthetic components and socket manufacturing techniques. The applicant would work closely within the existing MDT in Ringwood, with access to a larger support network through our expanding clinical team nationally.

This is an exciting opportunity for a Prosthetist keen to provide the best possible care for individuals, to help them maximise their comfort, mobility and independence.

**Benefits include:**

- Highly competitive salary commensurate with skills and experience.
- Four day working week.
- Relocation costs where appropriate.
- Company pension and private health insurance.

Applicants would need to be registered with the Health Care Professions Council (HCPC) and preferably be a member of BAPO.

The role is subject to satisfactory Disclosure and Barring Service checks.

With any queries about the role, or for an informal chat, please email Matt Hughes at [matthewh@dorset-ortho.com](mailto:matthewh@dorset-ortho.com) or call 07814 018490.

To apply, please send your CV and covering letter to Matt Hughes at the above email address.

Closing date: 20th April 2022
