Clinical Lead Prosthetist Freeman Hospital, Newcastle

Blatchford is a multi-award winning manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices. Our evidence-based approach and commitment to continuously challenge possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users. Through science, technology, and maintaining a clear focus on people, we make mobility possible.

We now have an exciting opportunity for a **Clinical Lead Prosthetist** to lead and support our team of Prosthetists on our contract at the Freeman Hospital, **Newcastle**.

Working in this busy, dedicated amputee rehabilitation unit, this is an exciting opportunity for someone looking to step up and gain experience in leadership, by taking on this challenging, rewarding role as Clinical Lead Prosthetist.

Responsibilities of the Clinical Lead Prosthetist:

- You'll work with a complex range of patients and use the latest technology including CAD CAM.
- You'll provide a high standard of prosthetic care and treatment across a range of amputation levels and pathologies ensuring best practice at all times.
- You'll support and guide the rest of the team, including mentorship of students and graduates.
- You'll maintain your own up to date knowledge of available components and have a good understanding of their functions to ensure well-fitting prostheses.

Requirements of the Clinical Lead Prosthetist:

- You'll have a good base of clinical experience across a range of amputation levels.
- You'll be flexible and innovative in your approach and work to the highest professional standards, with care and integrity, to maintain our excellent reputation, and to ensure full patient satisfaction.
- You must be qualified in Prosthetics/ Orthotics and HCPC registered; membership of BAPO or ISPO is also desirable.

Benefits of becoming the Clinical Lead Prosthetist:

We offer a competitive salary package, excellent benefits and the opportunity to work in a busy clinical setting to learn and further develop your skills and experience and progress quickly with us.

Closing date: 29 April 2022
