

ORTHOTISTS AND PROSTHETISTS

OpCare, part of the international healthcare company **Ability Matters Group**, is one of the largest suppliers of artificial limb, orthotic, and posture and mobility services to the NHS in England. Our group is expanding and evolving. We work within more than 40 Trusts and CCGs, have 180 clinicians, and we specialise in working within large managed services in partnership with the NHS.

Our aim in the coming years is to improve the sector by investing in both our people and in technology. We are looking for some like-minded clinicians to join us in several positions across the UK and Ireland to join us on this journey.

You may have seen recently that both **Crispin Orthotics** and **Proactive Prosthetics** are now part of our group, which will allow us to improve the services we provide and the career opportunities for staff within the company. The following are exciting positions we are currently recruiting for:

- Manchester - Prosthetist
- Central London - Senior Orthotist
- Roehampton - Orthotist
- Leicester - Orthotist
- Dublin (through Irish sister company ATG) - 2 Senior Prosthetists
- Bristol - Orthotist
- Crystal Palace - Clinical Lead Prosthetist

We would also welcome speculative applications from highly-motivated clinicians from other locations. We are happy to recruit additional clinicians where they will be able to add value to the company, which can also be in developmental projects as well as clinical practice.

What we can offer:

- Competitive salary
- Incremental holiday allowance - 33 days up to 38 days (inclusive of bank holidays)
- Car allowance/company car (subject to role)
- Performance-related bonus
- HCPC registration fees paid
- Refer-a-friend incentive scheme
- Continuing professional development
- Opportunity to collaborate with multidisciplinary teams and exposure to different clinics
- Ongoing internal and external training and courses.

What experience you will need:

- Confidence in measuring, scanning/casting and fitting orthoses/prostheses.
- Be committed to the highest standards of patient care and building strong relationships with patients and colleagues.
- Proficient IT skills for patient note documentation and ordering systems.

We will also require applicants to be either a Certified Orthotist/Prosthetist or hold an HND/BSc in Orthotics/Prosthetics.

You must be HCPC registered, and preferably a member of BAPO.
