

Wirral University Teaching Hospital

NHS Foundation Trust

Senior Orthotist

The Orthotic Department is an integrated service within the directorate of the Allied Health Professions and champions a collaborative approach to working closely with other AHPs and members of the multi-disciplinary team, including the orthopaedic and diabetic teams. We are based across both Arrowe Park and Clatterbridge sites with access to the superb facilities at the Wirral Limb Centre.

The team see a varied caseload and are continuously striving to improve our already excellent delivery of care.

This role provides an exciting opportunity for Orthotists who are looking to further develop their skills in a clinically varied and rewarding environment. If you are a team player, a forward thinking clinician who is committed to delivering exceptional patient care, and are keen on innovation with a passion for raising the profile of the profession, then we are the team for you.

Main duties:

- Provide a high standard of care to patients who require orthotic treatment under the Trust's framework for best patient experience and best clinical outcome, using specialist orthotic knowledge and skills.
- Ensure that the treatment provided is the best value for money.
- Actively play a role within an evidence-based ethos, undertaking projects, audits and CPD, abiding by Trust Policy as being the best place to work and learn.

Qualifications, specific experience & training:

Essential criteria

- BSc (Hons) in Prosthetics & Orthotics or equivalent qualification
- Experience and further evidence of CPD via a portfolio
- HCPC Registration as an Orthotist
- Postgraduate clinical experience

Desirable criteria

- BAPO membership

NHS AfC: Band 6

Permanent - Full-time/job share

£32,306 - £39,027 per annum

Closing date 17/05/2022 23:59
