

Blatchford

Prosthetist - Northampton

Blatchford is a multi-award winning manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices.

Our evidence-based approach and commitment to continuously challenge possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users. Through science, technology and maintaining a clear focus on people, we make mobility possible.

We now have a great opportunity for an experienced Prosthetist to join our existing team at Northampton. Working as an integral member of a strong MDT in this busy centre, you'll have the opportunity to further develop your experience in all areas of prosthetics.

The service is based in Northampton General Hospital and has a large on-site workshop with an experienced team of technicians; it serves the whole of Northamptonshire and Milton Keynes.

Blatchford has held the contract at Northampton since 2010, meaning we have a strong, collaborative relationship with the Trust. We also hold the orthotic and wheelchair contracts across the county allowing collaborative working across all three services.

The varied nature of the role provides a clinically challenging environment so it's a great opportunity to further develop your skills and progress your career. The team supports innovation including Rodin scanning and service development through evaluation, patient engagement, outcomes and research.

To succeed in this role, you'll be an experienced Prosthetist who thrives in a team environment. You'll be forward thinking with a passion for delivering exceptional patient care, managing individual cases to deliver the most appropriate and effective treatment. Your approach will be flexible and innovative and you'll work to the highest professional standards to maintain our excellent reputation and ensure full patient satisfaction.

As an experienced Prosthetist, you'll also:

- be competent in all lower limb prosthetics.
- be experienced in audit or service evaluation.

To be considered, you must be degree-qualified in Prosthetics & Orthotics (or equivalent) and be HCPC registered. Membership of BAPO or ISPO would also be helpful, but not essential.

In return, we offer a competitive salary, excellent benefits and dedicated CPD time.

To apply, please send your CV to: recruitment@blatchford.co.uk

Closing date: 3 June 2022
