

Senior Orthotist - 3-4 days per week - Peacocks

Peacocks Medical Group, a fourth-generation family-owned company, is a vibrant and exciting orthotic business which provides orthotic clinical services and manufactures orthoses and custom-made footwear for NHS and private clients across the UK.

A key partner to a number of NHS Trusts, with service contracts spread from the South Coast to the North East, the business has achieved national and international recognition for expertise in specialities as diverse as orthopaedics, rheumatology, neurology, paediatrics, diabetes and spinal orthotics.

We currently have an exciting opportunity for an Orthotist to join our clinical team based in **Southend-on-Sea, Essex**.

Peacocks is home to a highly experienced, multi-disciplined, specialised team, who above all are dedicated and passionate about delivering a first-class service. The role is a full-time position, based predominantly in Southend-on-Sea, but travel across the region may be required.

You would be engaged in a variety of clinical specialties such as neurological or neuromuscular conditions, spinal deformity and pain, paediatrics, adult & paediatric neurology, diabetes and foot & ankle biomechanics alongside a team of practitioners who are dedicated to providing insightful prescriptions, and an experienced, highly skilled team of technicians based at our manufacturing site in Newcastle-upon-Tyne.

The role would suit an experienced Orthotist, with demonstrable experience across the clinical specialities, who is extremely proactive with the ability to work within a demanding clinical environment.

Most importantly, we are looking for individuals who will care as much about our customers as we do and who will take pride in ensuring we deliver a successful outcome for our patients.

Key benefits of working for Peacocks:

- Competitive salary
- Company car or allowance
- 25 days holiday + bank holidays
- Life Assurance
- Pension scheme
- HCPC fees paid
- Full manufacturing headquarters to support all of your custom-made requirements
- Training and development
- Career development opportunities
- Strong and supportive clinical and technician team
- Opportunity to be involved in leading R&D projects.

Personal and professional development is a core value within our organisation and a full training, mentoring and development package is supported through our employee review process, allowing structured career progression.

Our clinical employees receive a comprehensive & structured induction provided by the administration, clinical and manufacturing staff at our Head Office, to ensure they are conversant with the clinics and services we offer.

By joining Peacocks, you will experience our unique bespoke Orthopro clinical software package along with our CAD/CAM and scanning systems which, with our new range of ready-made products, will provide an insight into our vision for future orthotic practice.

Within the position, flexibility is important as there may, on occasions, be cover required at our other locations.

If you would like to join a highly motivated and forward-looking organisation that is committed to your development, then we would welcome your application.

You must be HCPC registered, hold a full driving licence and ideally be a member of BAPO. This role will be subject to an enhanced DBS check prior to employment.

To apply, please send your CV and covering letter by email to Ashley.lewis@peacocks.net

Closing date: Friday 17th June 2022
