

Prestige Healthcare - Three Orthotists Positions London

We currently have a great opportunity for three new Orthotists to join at an exciting time for Prestige Healthcare (London) Ltd, we are currently going through a major expansion of our business and require three Orthotists to join our current dynamic team of Orthotists, based in London and the South-East.

You will be expected to work within a variety of clinics which include Diabetics, Neurology, Rheumatology, Paediatric MDT, general outpatient, special needs schools and complex in-patients. You will be working closely with our orthotic team, allowing mentorship, regular discussion, and communication to ensure the best patient care is provided. CPD time is built into the role to allow for involvement in training and clinical projects of interest.

As part of your role, you will be responsible for maintaining a high standard of clinical work, developing a strong relationship with the multidisciplinary team and liaising with the technicians in our manufacturing facility, ensuring we maintain our high 'right first time' target.

Successful applicants will implement suitable and effective orthotic treatment plans and agree outcome goals for all patients.

In return we will commit to developing your skills further through mentorship, coaching and within our internal clinical training programmes facilitated by our Clinical Director.

What we can offer:

- Competitive salary
- Incremental holiday allowance to start at 25 days up to 38 days (inclusive of bank holidays)
- Car allowance/ company car (subject to role)
- Performance related bonus
- HCPC registration fees paid
- Refer a friend incentive scheme
- Continuing professional development
- Opportunity to collaborate with multidisciplinary teams and exposure to different clinics
- Access to the clinical team, technicians, and manufacturing facilities
- Ongoing internal and external training and courses

What experience you will need:

- Confidence in measuring, tracing / casting and fitting orthoses/protheses.
- Be committed to the highest standards of patient care and building strong relationships with patients and colleagues.
- Proficient IT skills for patient note documentation and ordering systems.
- You must be a Certified Orthotist/Prosthetist with a minimum of three years' experience and hold an HND/BSc in Orthotics/Prosthetics.
- You must be HCPC registered.
- Preferably a member of BAPO.

Prestige Healthcare (London) Ltd are an equal opportunities employer, we have a clear goal of driving diversity and inclusion across all operations of our business.

If you care as passionately as we do about our industry, act with integrity in ethical decision making and care about making a difference to patient's lives, then Prestige Healthcare (London) Ltd would be a great career opportunity as your next clinical role.
