

OpCare- Prosthetist - Bristol

We have an exciting opportunity for a Prosthetist to join our team in Bristol.

OpCare, part of the international healthcare company Ability Matters Group, is one of the largest suppliers of artificial limb, orthotic, and posture and mobility services to the NHS in England. We consistently deliver a first-class service for users, whilst applying the most advanced and exciting clinical and technical solutions available to patients.

Job role summary:

Bristol is a large prosthetic centre, based just outside of the Bristol city centre which delivers prosthetic services to a large patient demographic.

The role at the Bristol Centre of Enablement provides an opportunity to work with a well-established team; develop your clinical practice with a broad patient demographic; and work with new systems and technologies within the sector.

The role holder assesses patients in conjunction with Physiotherapists, NHS Doctors and other members of the multidisciplinary team as appropriate, they then provide prosthetic treatment based on best practice, reviewing and providing continuity of care throughout the patient pathway.

Teamworking, as well as autonomous prescribing founded on evidence-based practice, will form the foundation of day-to-day working. Being able to build good patient rapport as well as strong working relationships within the team are key qualities asked of the role holder, in order to provide and maintain the high quality of care we pride ourselves in.

Working as part of a large team, the role holder will work collaboratively with other members of the team, which includes students/graduates.

What we can offer

- Competitive Salary
- Incremental holiday allowance 33 days up to 38 days (inclusive of bank holidays)
- Performance-related bonus
- HCPC registration fees paid
- Refer a friend incentive scheme
- Continuing professional development
- Opportunity to collaborate with multidisciplinary teams and exposure to different clinics
- Ongoing internal and external training and courses

What experience you will need:

- Confidence in measuring, scanning/casting and fitting devices
- Be committed to the highest standards of patient care and building strong relationships with patients and colleagues
- Proficient IT skills for patient note documentation and ordering systems
- We will also require applicants to be either a Certified Orthotist/Prosthetist or hold an HND/BSc in Orthotics/Prosthetics
- You must be HCPC registered
- Preferably a member of BAPO

To apply, please send your CV to recruitment@abilitymatters.com today for an initial chat. Ability Matters Group Limited are an equal opportunities employer, we have a clear goal of driving diversity and inclusion across all operations of the group.
