

Clinical & Operational Lead Orthotist - Central Region

We have an exciting opportunity for an Orthotist seeking a leadership role to join our team.

TayCare Medical is a family-owned business based in Leeds. Totally focused on Orthotics, we employ over 20 Orthotists to prioritise patient care, provide high-quality products and develop their own skills and competencies. With ambitions to grow our clinical presence we are looking for an Orthotist interested in joining our leadership team; to share our values and contribute to our success.

At TayCare, we provide the full range of orthotic services and products, nationally, to both our NHS clinics and private patients. With over 60 technicians at our Leeds factory, we manufacture the full range of custom orthoses, including footwear; striving for excellence in terms of quality and lead times. We consistently deliver a first-class service for patients, applying the sector's most advanced and exciting clinical and technical solutions available.

Job Summary:

The role holder will lead a large clinical team within our Central Region. The area of responsibility covers trusts serving **NHS clinics in Yorkshire, the North West and East of England.**

A key requirement will be to support the operational delivery of high-quality patient care. To achieve this, you will be required to ensure the smooth running of clinics, in partnership with colleagues in our manufacturing and central administration.

The role will require leadership of your team of Orthotists, to ensure the highest standards of customer satisfaction from our NHS partners, accountable for your team's compliance with clinical governance and achievement of clinical excellence.

You will be supported to achieve your goals, ensure clinical excellence, meet your KPIs and targets, so the clinics and Orthotists you manage deliver the best possible clinical care and patient outcomes.

We will need you to be able to:

- Display confidence and assurance at all times
- Perform well under pressure
- Supply evidence of working successfully at a senior level as an Orthotist
- Display a commitment to the highest standards of care and practice in line with HCPC requirements

The ability to lead a high-performing team through:

- A positive can-do attitude
- Sustaining excellent working relationships
- Attention to detail

Our offer includes:

- Highly competitive salary
- Performance related bonus
- A car scheme or salary equivalent
- Mileage allowance
- Employer pension contributions
- 25 days holiday entitlement, plus statutory bank holidays
- Full contribution towards HCPC fees

In addition TayCare offer:

- Dedicated CPD time; including leadership training and development
- Freedom to expand your clinical knowledge and competencies
- Opportunity to support and train both new graduates and students on placement
- An experienced clinical team to share thoughts and ideas
- A team of highly skilled technicians to support your custom-made requirements

Essential requirements include:

- Orthotic qualification - BSc P&O or equivalent
- HCPC registration
- To successfully undergo an enhanced DBS check
- Full UK driving license
- The right to work in the UK

Desirable requirements include:

- Membership of BAPO
- Evidence of either promoting or supporting the development of the profession

If the idea of working for a caring and considerate family business that is constantly looking to develop within this sector appeals to you, please contact us by sending your details to recruitment@TayCare.com
