The Northern Care Alliance NHS Foundation Trust (NCA) brings together staff and services from the former Salford Royal NHS Foundation Trust and The Pennine Acute Hospitals NHS Trust. The sheer size, scale and potential of our combined service is huge. Together, we have a wealth of skills and resources to share and tap into and, a wide range of career paths for you to develop and explore. If you want to join a team of around 20,000 NHS experts in delivering high-quality, local care across Salford, Oldham, Bury and Rochdale - **come and take your place with us.**

Job Overview

We have an exciting opportunity for a full-time permanent Band 6 Orthotist to join an established orthotic team with a wealth of experience in Greater Manchester.

We are [Greater Manchester's Major Trauma Hospital](#), which will give the post holder extensive exposure to complex major trauma and spinal presentations. The post holder will also have exposure to a large paediatric caseload and specialist neuromuscular and high-risk foot and ankle clinics.

We welcome applicants with a positive outlook and a good overall background in orthotics. Additional in-depth experience or a high interest in specialist areas is desirable.

Main duties of the job

You will work as part of a team delivering and providing an Orthotic Service across the NCA. This includes inpatient and outpatient services across 4 sites, as well as some specialist schools and community clinics. It is anticipated you will be mainly based at any one site, with opportunities to cover and rotate to different sites with different specialities as and when required. This will aid in developing your knowledge and skills within all the specialist areas.

As a qualified Orthotist, you will undertake the clinical examination and assessment, diagnosis and treatment of these patients. You will be expected to do this within an appropriate timeframe and with suitably sourced orthoses for prescription, quality and cost. You will work within BAPOs best practice guidelines and ensure the planned outcome measures for patients' orthotic management are met.

Applicants must be HCPC registered and preferably members of BAPO
