

## Job Advert - Technical Manager (Orthotist) (Location - Ireland)

### The Company:

Founded in 1995 in Dundalk, Ireland, as a subsidiary of the US based "Boston Brace International Inc.", the Irish operation became the European manufacturing facility for the Boston range of Spinal Orthotic products to more than 25 countries. In 2010, the company was purchased outright by Camp Scandinavia AB (part of the Allard group and based in Helsingborg, Sweden) and became Allard Support UK Ltd. Since then, the company has expanded significantly, both in terms of sales revenues, number of employees and physical size. Allard UK is now recognised as a leading manufacturer and supplier of superior quality orthotic products to both the UK and International market.

### The Role:

With a culture of continual improvement and a strong focus on producing high quality custom and OTS orthotic products in our manufacturing facility in Dundalk, Allard UK would like to recruit for the key position of Technical Manager, to help us move to the next phase of our development. As the Technical Manager, you will be the leader and the key person with respect to:

- Mold/Cast rectification and approval
- Providing Clinical/Orthotic support, to both customers and our own sales team
- Developing and expanding our digital spinal orthotic solutions
- Training, developing, and mentoring the technical staff/team to ensure a high degree of competency.
- Consulting with the manufacturing department with respect to problem solving of quality and manufacturing issues
- Identification and implementation of process improvement projects
- Implementation of product improvements and also new product development projects in conjunction with our development team in Sweden
- Implementation and management of collaborative projects with key customers.
- Contribute to and deliver education & training sessions, both virtual and physical

### The Person:

This is a wide, varied, and fulfilling position and will suit an orthotist with at least three years' experience, who is looking for diversity and an opportunity to branch outside the purely clinical functions of the orthotist role. A competitive remuneration package is on offer. The role is based at our facility in Dundalk, Ireland, and reports to the Managing Director.

To apply, please email an up-to-date CV to, [info@allarduk.co.uk](mailto:info@allarduk.co.uk), for the attention of Mr. Peter Roe.

**Closing date for applications is January 20th 2023**
