

Empowering the professional to enable the user

BAPO Strategic Plan (2022-2024)

The British Association of Prosthetists and Orthotists (BAPO) Strategic Plan is driven by areas existing members have asked BAPO to focus. www.bapo.com/about-us/strategy-and-vision

Members asked BAPO to:

- Be more relevant and visible to all members.
- Provide increased resources, particularly for continuing professional development (CPD).
- Provide the profession with a voice that is both louder and clearer, to exert greater influence.

Vision

BAPO will enable members to transform lives and improve the health of the UK population, through health outcomes which significantly benefit those who receive prosthetic and orthotic care.

Objectives

During 2022-2024 BAPO will provide leadership and prioritise supporting members from all four UK nations, so that prosthetist orthotists:

- Are recognised as the experts in prosthetic and orthotic clinical practice.
- Enjoy careers that offer a greater level of empowerment, choice and fulfilment.
- Benefit from a broad career map which extends to advanced practice and consultant positions.
