

Clinical Lead Prosthetist - Brighton

Blatchford is a multi-award-winning manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices. Our evidence-based approach and commitment to continuously challenge possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users.

Through science, technology, and maintaining a clear focus on people, we make mobility possible.

We have a great opportunity for a Clinical Lead Prosthetist to join our experienced and specialist team at the Sussex Rehabilitation Centre in Brighton. We're looking for an individual with proven leadership skills to manage our prosthetic service at the Centre.

The varied nature of the role provides a clinically challenging environment and is a great opportunity to further develop your skills and career in a highly rewarding role. Working as part of a multi-disciplinary team, you will have a patient centred approach to service delivery. Leading on clinical care pathways, you'll deliver high quality care and outcomes to a complex patient load.

The role includes:

- Supporting and leading a team of Prosthetists
- Clinical management and scheduling to ensure smooth clinical operations
- Building a good working relationship within the MDT team
- Serving as direct link to the NHS management who oversee the prosthetic contract
- Promoting the use of scanning
- Support and further develop Blatchford services by contributing to our national care pathways, protocols and leadership on prosthetics
- Mentoring and supervision of the team including graduates and students

The team supports innovation including scanning and service development through evaluation, patient engagement, outcomes, and research.

Ideally, you'll have a minimum of 5 years' post-graduate experience with a background in paediatrics. A clinical speciality would be useful, as would previous experience of audit or service evaluation / development.

You will be a forward-thinking clinician with a passion for delivering exceptional patient care, managing quality services and proactive in service development.

Your flexibility and innovative approach, combined with your high professional standards will contribute to maintaining our excellent reputation for providing patient satisfaction, and will help to maintain the reputation of our brand.

Applicants must be degree qualified in Prosthetics/Orthotics (or equivalent) and be HCPC registered. BAPO or ISPO membership is desirable, though not essential.

In return we offer a competitive package, including:

- A competitive salary
- 25 days' holiday, increasing with service
- Dedicated CPD time
- Contributory pension
- Cycle to work scheme
- Discounted leisure/shopping activities
- On demand pay
- Health cash plan
-

Relocation support will be available if required.
