

Blatchford

Prosthetist - West Midlands Rehabilitation Centre

Blatchford is a multi-award-winning manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices. Our evidence-based approach and commitment to continuously challenge possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users.

Through science, technology, and maintaining a clear focus on people, we make mobility possible.

We are now looking for an experienced Prosthetist to join our specialist team based at the West Midlands Rehabilitation Centre, Selly Oak, Birmingham.

The centre is one of the largest for prosthetic and specialist orthotic rehabilitation in the UK, covering the whole of the West Midlands from Stoke to the border of Wales. The prosthetic team has a wealth of experience and works collaboratively with the on-site MDT to deliver a dedicated service for both upper and lower limb loss arising from trauma, disease or congenital limb deficiencies and also provides paediatric and specialist clinics. Manufacture is on and off-site with a team of experienced Technicians working in a well-equipped, modern workshop.

Working in this specialist rehabilitation centre really is an exciting opportunity to further develop your career in a busy clinic where you'll work with a wide range of patients including paediatrics, complex and veterans.

To succeed, you'll be a forward-thinking clinician with 5+ years of experience, including MPKs and scanning, with a passion for delivering exceptional patient care, managing the individual patient's case to deliver the most appropriate and effective treatment. You'll provide and promote a high standard of prosthetic care and treatment across a range of amputation levels and patient pathologies ensuring best practice is always applied.

Your up-to-date knowledge of available components and understanding of their functions will ensure all patients are provided with well-fitting prostheses. You'll also display a flexible and innovative approach and work to the highest professional standards to maintain our excellent reputation and ensure full patient satisfaction.

Ideally, you'll have post qualification experience in a busy clinic, preferably in the NHS, and the enthusiasm to deliver an exceptional patient led service.

You must be qualified in Prosthetics/Orthotics and registered with the Health & Care Professions Council (HCPC) in the UK. Membership of BAPO/ISPO is also desirable.

In return, we can offer:

-
- Competitive salary
- Salary sacrifice pension scheme
- Support and supervision from an experienced team
- 25 days' holiday increasing with service
- On-demand pay
- Discounted shopping and leisure activities
- Discounted gym membership

We are happy to consider flexible working including part time/five days in four/job share, etc.

Relocation assistance may be available for the right candidate.

So, if you are an ambitious clinician, with a passion for prosthetics who is looking for a new challenge with an industry leading employer, we want to hear from you!
