

Senior Prosthetist/Orthotist Townsville, North Queensland, Australia

Senior Prosthetist/Orthotist - Townsville, North Queensland, Australia

An exciting opportunity has arisen for an experienced and motivated Senior Clinician to join our small friendly team at Queensland Health, Townsville, Australia in the Prosthetic and Orthotic Department.

This is a permanent full-time position located in Townsville, Australia.

*** Relocation assistance is available to the right candidate.

Ideally you will have high level clinical and fabrication skills and are comfortable operating as part of a team or independently. You will cover a diversity of areas ranging from acute in patients and outpatients over two hospital facilities. A willingness to share your clinical expertise is essential to upskill less experienced clinicians. Additionally, a drive to maintain professional development, with a focus on client based, best practice is crucial.

Requirements:

- Mandatory requirements are possession of a Bachelor of Applied Sciences in the field of prosthetics/orthotics or relevant equivalent from a recognised tertiary Institution providing eligibility for membership of the Australian Orthotists and Prosthetists Association (AOPA)
- Preferably a member of BAPO

This position requires the incumbent to operate a class C motor vehicle and an appropriate license endorsement to operate this vehicle is required.
