

Clinical Lead Orthotist, Derbyshire

Blatchford is a multi-award-winning manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices. Our evidence-based approach and commitment to continuously challenge possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users.

Through science, technology, and maintaining a clear focus on people, we make mobility possible.

We now have a great opportunity for a **Clinical Lead Orthotist** to join our experienced team delivering the orthotic service across the whole of Derbyshire where we provide clinics in Derby, Buxton and Chesterfield, as well as some satellites.

The orthotic team works with inpatients and outpatients in designated adult and paediatric clinics, treating an extensive range of conditions including stroke, neuromuscular conditions, diabetic foot, lower limb musculoskeletal complaints and common foot pathologies. We work closely with Podiatry, Physiotherapy and Orthopaedic teams across the county and are an integral part of the diabetes and paediatric MDTs.

The varied nature of the role provides a clinically challenging environment and is a great opportunity to develop your skills and career in a highly rewarding role. Working as part of a multi-disciplinary team, you will have a patient centred approach to service delivery. Leading on clinical care pathways, you'll deliver high quality care and outcomes to a complex patient load.

The role includes:

- Supporting, developing and managing a small team of Orthotists
- Clinical management and scheduling to ensure smooth clinical operations
- Promoting the use of CAD scanning for measuring and orthotic design
- Supporting and contributing to Blatchford services by contributing to our national care pathways, protocols and leadership on orthotics
- Mentoring and supervising undergraduates and graduates
- Working closely with our orthotic manufacturing team in Sheffield

Ideally, you'll have a minimum of 5 years' post-graduate experience; a clinical speciality would also be useful, as would previous experience of audit or service evaluation / development. You will be a forward-thinking clinician with a passion for delivering exceptional patient care, managing quality services and proactive in-service development.

You must be degree qualified in Orthotics/Prosthetics (or equivalent) and be HCPC registered. BAPO or ISPO membership is desirable, though not essential.

We can offer:

- Highly competitive salary
- 25 days' holiday increasing with service
- Salary sacrifice pension scheme
- On-demand pay
- Discounted shopping/leisure activities
- Discounted gym membership
- Cycle to Work scheme

Relocation assistance could be available for the right candidate.

If this sounds like the type of environment, you'd love to be a part of and you are an ambitious clinician who is looking for a new challenge with an industry leading employer, we want to hear from you!

If you're an ambitious Orthotist looking for a new opportunity with an industry leading employer, please apply now.
