## Orthotist - Northamptonshire Orthotic Service

Blatchford is a multi-award-winning manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices. Our evidence-based approach and commitment to continuously challenge possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users.

Through science, technology, and maintaining a clear focus on people, we make mobility possible.

We now have a great opportunity for an experienced Orthotist to join our team delivering the orthotic service on behalf of the NHS in Northamptonshire.

The Northamptonshire Orthotic Service is delivered from two modern, purpose-built units in Northampton and Kettering. These have been specially commissioned to offer patients and Orthotists the highest level of clinical facilities; both sites have on-site workshops, gait analysis and pressure measurement systems. Joint MDT clinics are also held within the Northampton and Kettering General Hospitals and local schools.

### As an Orthotist in this service, you'll:

- Use your clinical experience to treat adults and children including close working with specialist orthopaedic consultants as well as dedicated Lycra and paediatric clinics
- Further develop your clinical skills working alongside an experienced local team in facilities designed specifically for Orthotic care
- Gain experience in the use of gait analysis to evidence best patient care
- Provide a patient-centred approach to service delivery as part of a dedicated MDT
- Benefit from focused CPD activities

To excel in this role, you'll be a forward-thinking clinician with a passion for delivering exceptional patient care, while working in a crucial role as part of a strong multi-disciplinary team. You'll be flexible and innovative in your approach and work to high standards, with care and integrity, to maintain the reputation of our brand and achieve the rewarding outcomes of the role.

To apply, you must be qualified in Orthotics/Prosthetics and be HCPC registered. Membership of BAPO/ISPO is desirable but not essential.

This is a great opportunity for someone looking to further develop their career in a forward thinking company.
