

Blatchford

Clinical & Contract Manager Derbyshire Orthotic Service

Blatchford is a multi-award winning manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices. Our evidence-based approach and commitment to continuously challenge possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users.

Through science, technology, and maintaining a clear focus on people, we make mobility possible.

We now have a great opportunity for a Clinical & Contract Manager to join our experienced team delivering the orthotic service across the whole of Derbyshire where we provide clinics in Derby, Buxton and Chesterfield, as well as some satellites.

The orthotic team works with inpatients and outpatients in designated adult and paediatric clinics, treating an extensive range of conditions including stroke, neuromuscular conditions, diabetic foot, lower limb musculoskeletal complaints and common foot pathologies. We work closely with Podiatry, Physiotherapy and Orthopaedic teams across the county and are an integral part of the diabetes and paediatric MDTs.

The service works to exacting KPIs in relation to clinical, service and financial based outcomes, and as Clinical & Contract Manager you'll manage day to day relationships with the ICB, using your knowledge of the contract to manage all aspects of the service ensuring it meets all KPIs. As well as working with stakeholders, you'll lead the team, providing coaching and support as required in clinical and non-clinical areas. There is also the potential to work with private patients via the Blatchford Clinic.

This is a great opportunity for an experienced Orthotist to develop into a contract management role in a busy contract with a developing company. The varied nature of the role provides a clinically challenging environment and is a great opportunity to develop your skills and career in a highly rewarding role. Working as part of a multi-disciplinary team, you will have a patient centred approach to service delivery. Leading on clinical care pathways, you'll deliver high quality care and outcomes to a complex patient load.

What you'll need - to be successful in this role you will:

- Be a qualified and experienced Orthotist
- Be HCPC registered
- Have experience of managing commercial contracts, preferably gained in a health service environment
- Have excellent communication skills
- Have the ability to operate autonomously
- Have excellent planning and organisational skills
- Membership of BAPO/ISPO is desirable

What we can offer:

- Competitive salary
- 25 days holiday increasing with service
- Opportunity to buy additional holiday
- On-demand pay
- Stakeholder pension
- Discounted leisure/shopping activities
- Discounted gym membership
- Health cash plan
- Cycle to work scheme

Relocation assistance may be available.

If this sounds like the type of environment you'd love to be a part of and you are an ambitious clinician who is looking for a new challenge with an industry leading employer, we want to hear from you!

Prosthetist

Freeman Hospital, Newcastle

Blatchford is a multi-award winning manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices. Our evidence-based approach and commitment to continuously challenge possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users. Through science, technology, and maintaining a clear focus on people, we make mobility possible.

We now have an exciting opportunity for an experienced Prosthetist to join our team on our contract at the Freeman Hospital, Newcastle.

As well as an experienced team of Prosthetists, the centre has a fully equipped prosthetic workshop with skilled technicians that manufacture bespoke prosthetic devices. The team use Rodin CAD system for scanning and digital modelling. There is close MDT working with the NHS team with a Specialist Consultant in Amputee Rehabilitation, Physios, OTs, Specialist Nurses and Rehabilitation Assistants as well as support staff.

The service treats all amputation levels in adults and children, and covers the North Cumbria area as well as out of area referrals from NHS Scotland, South Cumbria, and the Northeast of England. The centre deals with pain management, wound healing and health screening to prevent further limb loss, with counselling available on site.

Working in this busy, dedicated amputee rehabilitation unit provides a great opportunity for an experienced Prosthetist to further develop their skills.

Responsibilities of the Prosthetist:

- You'll work with a complex range of patients and use the latest technology including CAD CAM
- You'll provide a high standard of prosthetic care and treatment across a range of amputation levels and pathologies ensuring best practice at all times
- You'll maintain your own up to date knowledge of available components and have a good understanding of their functions to ensure well-fitting prostheses

Requirements of the Clinical Lead Prosthetist:

- You'll have a good base of clinical experience across a range of amputation levels
- You'll be flexible and innovative in your approach and work to the highest professional standards, with care and integrity, to maintain our excellent reputation, and to ensure full patient satisfaction
- You must be qualified in Prosthetics/ Orthotics and HCPC registered; membership of BAPO or ISPO is also desirable

What we can offer:

- Competitive salary
- 25 days holiday increasing with service
- Opportunity to buy additional holiday
- On-demand pay
- Stakeholder pension
- Discounted leisure/shopping activities
- Discounted gym membership
- Health cash plan
- Cycle to work scheme

Closing date: 30 June 2023
