Salary period Yearly
Closing 25/07/2023 23:59
Interview date 03/08/2023

An exciting opportunity exists for an Orthotist, to join the Orthotics department at Wirral University Teaching Hospital NHS Trust. This is a varied clinical role with inpatient and outpatient clinics across 3 clinical areas set within Arrowe Park and Clatterbridge Hospital.

The successful candidate will form part of a team of 5 Orthotists and 6 administrators and will have access to an on-site workshop. The clinicians have access to an I-pad scanner and are encouraged to use and record outcome measures to measure the impact of intervention on their patients. It is an innovative team who work closely with orthotic companies and the wider trust to develop new ways of effectively treating patients.

Multi-disciplinary teamwork is thoroughly encouraged including: orthopaedic foot and ankle, diabetic foot, neurology, paediatric and traumatic spinal injury. The team at WUTH work closely with their medical and AHP colleagues.

The Orthotists work with the aim of providing the orthosis that is correct for the patient and are encouraged to utilise the most up to date orthotic technology. All clinicians are encouraged to be actively involved in their own development and the improvement of the department.

This is a friendly, dynamic orthotic team and a great opportunity to gain experience working in a busy acute hospital setting.

Applicants must be HCPC registered and preferably members of BAPO.
