- Managing patient expectations, ensuring needs are respected and that the patient is kept fully informed.
- Maintaining appropriate clinical notes and records
- Maintaining an up to date Continuing Professional Development (CPD) portfolio
- Participating in postgraduate training courses arranged by the company or local centre.
- Attending meetings and conferences.

What are we looking for?

As a Graduate Prosthetist you will have the following.

Key skills

- Degree qualified in Prosthetics and Orthotics, or equivalent.
- HCPC registration
- BAPO or ISPO (desirable).
- Experience in lower limb prosthetics
- Experience in delivering a range of prosthetic clinics.
- Experience or have a desire to be involved in audit or service evaluation.

What can we offer you?

- A structured graduate training programme
- In-house and external clinical training
- On-going support and one to one mentoring from experienced clinicians
- CPD support to further develop your clinical skills
- Opportunities to dual practice
- Competitive salary
- 25 days holiday increasing with service
- Opportunity to purchase additional holiday
- Contributory pension
- Discounted shopping and leisure activities
- Health cash plan
- Cycle to work scheme
- On demand pay
