The role - key duties:

- Treating a complex range of patients, using the latest technology including CAD CAM
- Providing a high standard of prosthetic care and treatment across a range of amputation levels and pathologies always ensuring best practice
- Maintaining your own up to date knowledge of available components and a good understanding of their functions to ensure well-fitting prostheses

What are we looking for?

As a Prosthetist you will have the following key skills:

- Degree qualified in prosthetics and orthotics, or equivalent
- HCPC registration
- BAPO or ISPO membership (desirable)
- Experience in lower limb prosthetics
- Experience in delivering a range of prosthetic clinics
- Experience or have a desire to be involved in audit or service evaluation

What can we offer you?

- In house and external clinical training
- On-going support and one to one mentoring from experienced clinicians
- CPD support to further develop your clinical skills
- Opportunities to dual practice
- Competitive salary
- 25 days holiday increasing with service
- Opportunity to purchase additional holiday
- Contributory pension
- Discounted shopping and leisure activities
- Health cash plan
- Cycle to work scheme
- On demand pay
