

***NEW MEMBERSHIP RATE* - BAPO supporting Young Professionals The First Five Years**

Do you work with or know a P&O Graduate, who is not currently a member of BAPO?

BAPO is reaching out to connect with, engage with and offer support to recent graduates of P&O by offering a special member joining rate available during the first five years of their professional career.

The BAPO Executive Committee identified a greater need to provide support to young professionals in the workforce during these pivotal years after graduation. The benefits BAPO membership can offer include regular access to the P&O community through education, mentoring, research, BAPOConnect magazine, BAPO's weekly newsletter, job adverts and BAPO's annual and regional events.

This special membership rate is designed to be affordable and maximise the opportunity for engagement of our new peers. The BAPO Member Graduate rate is designed to encourage those currently not engaged with the association to join up, become involved and receive on-going support wherever needed. Our various committees are also interested to receive new applicants, keen to volunteer and be involved in assisting and shaping the professional body.

The BAPO Member Graduate rate is now is £170.40 p.a. Membership is available via a monthly direct debit also at £14.20. (Membership fees are pro-rated at the month of joining)

If you know or work with a Graduate who is not currently a BAPO member, please share this information with them.
