ORTHOTIC SOLUTIONS

ORTHOTIST EMPLOYMENT OPPORTUNITY

Dacey Orthotic Solutions is a forward-thinking orthotic company focussed on delivering first rate clinical care whilst advancing the orthotic experience for patient, Orthotist, and the industry. We are a growing company with an exciting opportunity for a motivated Orthotist to join our current team of clinicians. We are happy to consider Graduate or Senior Orthotists with location opportunities in regions such as Bath, Bristol, Swindon, Wiltshire, and North Devon.

From our beginnings in 1972 we have grown year on year to become a well-established and dependable company. We have manufacturing facilities that can produce all orthotic devices using state of the art technology; alongside the ability to manufacture in a traditional manner also. This is a great opportunity for an Orthotist to be part of all aspects of these processes whilst having the opportunity to share/gain advice and skills from our experienced team.

The successful candidate will have an initial period of mentoring (graduates) under the supervision of our orthotic team and technicians. You will then begin to offer clinical cover for our team and work toward having your own dedicated clinics.
