

## Clinical Lead Prosthetist - Birmingham

Blatchford is an innovative, multi-award-winning, global, manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices, as well as a provider of wider clinical services.

Our evidence-based approach and commitment to continuously challenge possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users.

Through innovation, science, technology, and maintaining a clear focus on people, we make mobility possible.

Working in partnership with the NHS, Blatchford provides the prosthetic service at The West Midlands Rehabilitation Centre in Birmingham.

We have an exciting opportunity for a Clinical Lead Prosthetist to join our existing, specialist team at this clinic.

### The role:

As Clinical Lead Prosthetist, you will deliver a clinically excellent prosthetic service. This includes budget management and ensuring the clinical team meets set targets.

### Key Responsibilities:

- Taking the lead clinically, dealing with complex or difficult cases.
- Training/supervising/mentoring less experienced colleagues as required.
- Demonstrating a deep understanding of patients' pathology and providing guidance to the clinical team on the most appropriate clinical intervention.
- Leading the prosthetic team in outcome measurement including use of gait analysis equipment.
- Assisting the Area Manager, Clinical & Contract Manager, and wider Blatchford team in developing and maintaining protocols, standards, systems and administrative functions to ensure the seamless delivery of services to customers.
- Assisting with presentations, seminars, training, and education at all levels.
- Leading the team in all aspects of clinical governance with the support of the Area/Clinical & Contract Manager.
- Taking part in clinical audit and clinical research, liaising with both clinical and technical employees.

### What are we looking for?

Essential skills and experience

- Qualified in Prosthetics/Orthotics
- HCPC registration
- Member of BAPO/ISPO (desirable)
- Experience in a wide range of prosthetic provision
- Experience of gait analysis/pressure measurement systems
- Able to prioritise and manage your own workload and that of others
- Excellent communication and interpersonal skills, capable of communicating with colleagues at all levels
- Be able to manage difficult, challenging and sensitive situations
- Good judgment and decision-making skills

### What can we offer you?

- Competitive salary
- 25 days holiday (rising with service)
- Option to purchase additional annual leave
- On demand pay
- Pension
- Discounted shopping and leisure activities
- Discounted gym membership
- Health cash plan
- Cycle to work scheme
- Strong CPD programme, tailored to individual development needs

We are a supportive and committed company, with a focused team,

dedicated to improving patient care.
