Veteran Health & Recovery

You will be responsible for writing and developing self-study academic content and materials for learners studying online on the topic of Veteran Health & Recovery.

Job details

College - College of Health, Psychology and Social Care

Salary - £3,105 per module

Post type - Hourly paid

Responsible to - Head of Discipline - Occupational Therapy

Closing date - Monday 1st January

Reference- 0514-23

Location - Remote

Contract type - Fixed term contract

About the role

You are invited for the following authoring opportunity within Prosthetics and Orthotics. This authoring will commence March/April 2024 and the units listed are for the Prosthetic and orthotic degree apprenticeship programme, which UDOL is an approved centre.

Module(s) which require Authoring:

100% of 6OR500 Veteran Health & Recovery

You will be responsible for writing and developing self-study academic content and materials for learners studying online. Authors will be expected to be academically competent to create learning materials and activities at the appropriate level and methods. It is also desirable to have professional experience of working with veterans. You will be expected to work closely with colleagues in the University of Derby Online Learning (UDOL) to ensure high quality content, materials and learning experience for all learners. Your authoring will be supported and co-ordinated by the UDOL content team and the Academic Lead, who will review as your work progresses. We are able to offer assistance with technology enhancement features and graphic design.

This is an excellent opportunity for you to contribute to the on-going development of our curriculum. Successful authors will be paid upon completion, £3105.38 upon completion.

The Project milestones are:

High Level Plan due: 22 April 2024

Unit 1 due: 13 May 2024

Units 2-3 due: 17 June 2024 (inc. Reading List)

Units 4-6 due: 15 July 2024 (inc. Assessment Brief)

Units 7-10 due: 12 August 2024

Please note: unfortunately, applicants already contracted to full-time or part time work within the University will not be shortlisted for this opportunity due to weekly working time directive.

For further information and informal enquiries regarding the role, please contact Jane Ansell, Senior Lecturer in Prosthetics and Orthotics via j.ansell@derby.ac.uk.

For enquiries regarding your application and for sponsorship eligibility, please contact the recruitment team via recruitment@derby.ac.uk

Applicants must be HCPC registered and preferably members of BAPO
