

Blatchford

Prosthetist - Sheffield

Blatchford is an innovative, multi-award-winning, global, manufacturer of some of the world's most advanced prosthetic technology, bespoke seating solutions and orthotic devices, as well as a provider of wider clinical services.

Our evidence-based approach and commitment to continuously challenge possibilities ensures our mobility solutions prioritise the wellbeing and long-term health of our users.

Through innovation, science, technology, and maintaining a clear focus on people, we make mobility possible.

Working in partnership with the NHS, Blatchford provides the prosthetic service at the Northern General Hospital in Sheffield.

We have an exciting opportunity for an experienced Prosthetist to join our existing team.

The role:

As Prosthetist you will bring a broad base of clinical experience to this dynamic team of Prosthetists, Orthotists and Technicians. Working as an integral part of the MDT, you will have the opportunity to further develop your skills and experience by treating paediatric, complex, veteran, and upper limb patients.

The team supports innovation including scanning and service development through evaluation, patient engagement, outcomes, and research.

Key Responsibilities:

- Assessing, measuring, scanning/casting, fitting, supplying, reviewing, and adjusting prostheses across the whole range of amputation levels.
- Working to the highest standard with responsibility for the complete process of patient care.
- An advanced understanding of socket principles and experience of fitting active users.
- Maintaining excellent clinical notes and records.
- Provide advice and support as necessary to maximise rehabilitation potential.
- Identifying, in conjunction with the Area Manager and other team members, service development and/or improvements to ensure efficient and effective use of resource.
- Have a desire to make a proactive contribution to the Service Contract and Company as a whole.

What are we looking for?

Essential skills and experience

- Qualified in Prosthetics with HCPC registration.
- Member of BAPO/ISPO (desirable)
- Significant post-graduate clinical experience in all levels of lower limb prosthetics.
- Have specialist clinical experience, e.g., paediatric/upper limb/veteran/MPK
- Have microprocessor training and clinical experience.
- Excellent interpersonal skills
- Experience with audit or service evaluation
- Strong communication skills, both written and verbal
- Team player
- Able to work autonomously.

What can we offer you?

- Strong CPD programme, tailored to individual development needs.
- Highly competitive salary
- 25 days holiday (rising with service)
- Opportunity to purchase additional holiday.
- On Demand Pay
- Pension
- Discounted shopping and leisure activities
- Health cash plan
- Cycle to work scheme.

We are a supportive and committed company, with a focused team, dedicated to improving patient care.

If you feel you have the background to be considered for this Prosthetist role, please apply now.
