## Buchanan Orthotics - Job Opportunity

### Closing Date - 1 February 2024

Buchanan Orthotics is looking to recruit an Orthotist to join our established clinical team in Scotland.

We wish to recruit a clinician with at least three years of experience. Ideally, the successful candidate will have sound orthotic experience and be able to manage their own clinical caseload.

While working individually, there is excellent scope for development in specialist clinics and multi-disciplinary work. The workload would be varied, including caseloads across community and outpatient settings with a wide range of client groups. Experience in paediatrics, diabetics and musculoskeletal would be advantageous.

The following opportunity is available:

#### **1). Full-time or Part-time opportunity in West of Scotland with Argyll and Bute Health and Social Care Partnership.**

We are committed to the continual development of the team with regular CPD sessions and training. We are responsible, autonomous, creative and proactive in doing our best for our staff and patients.

Buchanan Orthotics Ltd is dedicated to having the best team possible. For more information on salary and employment package, please get in touch.

**All applicants should be HCPC registered and preferably members of BAPO.**

**Applications and CVs are to be sent to:**
