We are an ambitious business with a growth agenda, and we are seeking graduate orthotists to join our already established team throughout the United Kingdom.

Most importantly, we are looking for individuals who will care as much about our customers as we do and who will take pride in ensuring we deliver a successful outcome for our patients.

Benefits of working at Peacocks Medical Group include:

- Competitive salary
- Car allowance or Company Car
- 25 days holiday + bank holidays
- Life Assurance
- Option for flexible working hours
- Pension Scheme
- HCPC fees paid
- Full manufacturing headquarters to support all of your custom-made requirements
- Training and Development
- Career development opportunities
- Strong and supportive clinical and technician team
- Opportunity to be involved in leading R&D projects & Attendance at FORTH event
- Company incentive scheme

The successful candidates will benefit from being enrolled in our Graduate Training Programme with excellent mentorship, a wide variety of caseloads, specialised clinics and one to one supervision to ensure they are fully competent and signed off in all aspects of Orthotic treatment. Spinal, MSK,

Biomechanics, Paediatrics and Diabetes being just a few areas we can accommodate training.

"Becoming a graduate orthotist at Peacocks has allowed me to develop my clinical skills and knowledge within a supported environment. I have had the opportunity to learn from experienced orthotists as well as attend courses to keep up to date with new orthotic advances. I am pleased to be a part of a friendly hardworking team who strive to provide the best patient Care."

Iona McDonald, Graduate Orthotist at Peacocks Medical Group
