

# Job Advert Prosthetist, Hull

## **Exciting opportunity for a Prosthetist to join our established clinical team in Hull**

Steeper Group is a privately-owned business which was formed over 100 years ago. Since then, we have expanded across Prosthetics, Orthotics and Accessible Technology with a focus on creating significant turning points in individuals' lives through exceptional clinical services and award-winning products.

Steeper's vision is to create life's turning points, together. We aim to do this with innovative Prosthetic, Orthotic and Accessible Technology products and services.

An exciting opportunity has arisen for a Prosthetist (experience preferred, not essential) to join our small and friendly team in Hull on a 12-month fixed term contract. Hull is a port and university city with a thriving cultural and arts scene. It offers an affordable cost of living close to the beaches and resorts of the East coast with good transport links to the rest of the UK and the coast of Europe via ferry.

The role will be interesting and varied. We expect you to thrive working as part of a multidisciplinary team, and you will be responsible for managing your own caseload. The successful candidate will also be given budget responsibility and prescription rights.

As part of your role, you will be expected to clinically assess and treat a variety of different conditions, using the full extent of your clinical knowledge and current evidence-based practice. Whilst clinical experience is preferred, graduates are also invited to apply and would benefit from the Steeper Preceptorship program.

We very much encourage a team approach to our working practice and for the most part you will be on site with colleagues to discuss ideas and share experiences. At Steeper Group we have a close working relationship with the NHS team and you will be encouraged to contribute towards the continual improvement of the service we provide.

If you would like to work with the largest group of Prosthetists and Orthotists in the country, then please apply by sending your CV to [hr@steepergroup.com](mailto:hr@steepergroup.com). For further information on these exciting positions please visit our website [www.steepergroup.com/careers](http://www.steepergroup.com/careers)

Applicants must be HCPC registered and preferably members of BAPO.
