### **Prosthetic Technician Raigmore Hospital**

An exciting opportunity has arisen for enthusiastic, experienced Prosthetics Technician to join our Prosthetics Department in the Clinical Support Division at Raigmore Hospital. This post will involve working in a small team providing an outpatient service to patients across NHH and NHHW, including remote and rural areas, and also to the in-patient wards within this busy Acute Hospital.

Postholder will be expected to provide a high standard, comprehensive technical service to patients and respond and adapt quickly to unpredictable

and diverse patient caseloads and clinical situations. Experience in both upper limb and lower limb Prosthetics is preferred. Preferably members of BAPO.

We would also be interested in hearing from Band 5 Prosthetists who could take on a joint technical/clinical role.
