### **Job overview**

The post holder will join a growing team to provide orthotic clinical care to patients in the Swansea Bay University Health Board (SBUHB) and will ensure a patient-centred approach whilst working within professional guidelines to ensure clinical effectiveness for optimal care pathways. They will hold a broad clinical caseload across hospital sites within the UHB. The caseload will include both outpatients and inpatients and may also include domiciliary visits to patients' own homes, residential and nursing homes across the localities.

### **Working for our organisation**

We believe staff are our best asset, and we want you to be happy and confident about starting your career here in Swansea Bay University Health Board.

We are an inclusive employer and welcome applications from everyone, whatever their sex, religion or belief, race, age, sexual orientation, gender identity or whether they are pregnant or have recently been on maternity leave, married or are in a civil partnership, or whether they are disabled.

Our values - Caring For Each Other, Working Together and Always Improving, show that our commitment to equality is at the heart of everything we do.

If you want excellent career and training opportunities while living on the doorstep of some of Europe's most spectacular scenery, with all the benefits of a thriving and cosmopolitan city - look no further.

The ability to speak Welsh is desirable for this post; Welsh and/or English speakers are equally welcome to apply.
