

**Job Advert - Prosthetist/Orthotist
Band 5 - £29,970 to £36,483
Livewell Southwest - Plymouth**

Thanks to new development across the prosthetic and orthotic teams, Livewell Southwest are looking for a dynamic individual seeking the opportunity to develop their clinical skills in a supportive environment. As an independent social enterprise in-house provider, working for Livewell Southwest will provide the opportunity to collaborate with the full range of prosthetic and orthotic suppliers to deliver optimal solutions for the patients you work with.

The successful applicant will join a team of over 30 staff and will have the opportunity to undertake true MDT working, supported by an established team of prosthetists and orthotists, consultant, specialist physiotherapists, specialist nurse, clinical and administrative support and a team of on-site prosthetic and orthotic technicians with a full manufacturing facility.

You will be supported to manage your own caseload, undertaking clinical assessment, data capture, provision and review of a wide range of prostheses and orthoses for patients of all ages and with a wide range of conditions.

If you are passionate about the prosthetic and orthotic professions, keen to join a supportive, progressive team and would like the opportunity to work in beautiful Devon and Cornwall, this is the role for you.

Relocation assistance is available for this post.

All applicants should ideally be HCPC registered and preferably members of BAPO. Applications will though be considered from final year undergraduates

Please see the NHS Jobs listing below for further information or for an informal discussion please contact Gary Parfett – Service manager on:
