Clinical Specialist Orthotist

Leeds

Exciting opportunity for a Clinical Specialist Orthotist to join our established team!

An exciting opportunity to join our Leeds Teaching Hospitals NHS Trust clinical team as a clinical specialist Orthotist and as a clinical lead within Steeper Clinic private service.

As a clinical specialist Orthotist, you will have a wide-ranging clinical caseload including complex treatments such as composite KAFO's, Scoliosis bracing and involvement in MDT clinics within Leeds Teaching Hospitals NHS trust.

As a clinical lead in our private service, you will be directly involved in business development of the private service in the North of England, expanding our existing services and engaging new referrers.

Involvement in development of best practice clinical guidelines, pathway development and research/audit work will also feature in the clinical specialist role, offering an excellent opportunity to further develop your clinical career. As a senior member of the clinical team, you will take an active role in the training and development of our graduate and apprentice Orthotists.

As part of the international Eqwal group, you will have opportunities to work with the newest technologies and work with colleagues from across the world.

Responsibilities:

- Varied Orthotic clinical caseload
- MDT working, including Endoscopic Assisted Craniosynostosis Surgery team.
- Clinical mentorship and coaching of developing Orthotists
- Research/Audit involvement
- Clinical pathway and guidelines development.

What we are looking for:

- Competent and multiskilled Orthotist
- Experience in research/audit
- Ability to develop good working relationships within MDT's
- Scanning technologies experience
- Competent workshop skills
