**Working at** Gloucester Royal and Community Hospitals

Opcare's Gloucester services cover orthotic clinics in Gloucester Royal, Stroud, The Vale, Cirencester, Tewkesbury, North Cotswolds Hospital, and Cheltenham Hospitals. The department provides inpatient, outpatient and community orthotic care for a wide variety of patients. There is a complex mix of adult and paediatric MDTs and extended practice clinics which provide a great opportunity to be exposed to interesting and varied caseloads.

### **Job Summary:**

We are currently seeking an experienced orthotist who is looking for an opportunity to develop their career and be a part of our dynamic service in Gloucester.

The role will involve working with a complex clinical case load and will present exciting opportunities to develop clinical and leadership skillsets.

The role includes both independent working and a couple of times a month, working in clinics alongside the Clinical Lead who this role reports to.

### **Key Responsibilities:**

- Ensure the delivery of high-quality care for all patients and the smooth running of the service
- Working closely with multi-disciplinary teams (MDTs)
- Inputting and leading on initiatives within the service development plan
- Conduct comprehensive assessment of patients to determine their orthotic needs
- Develop and implement personalised orthotic treatment plans

- Stay up to date with the latest advancements in orthotic technology and practices
- Provide excellent patient care, education, and support throughout the treatment process
- Assessing, measuring, casting, fitting, suppling, reviewing and adjusting orthoses as required
- Maintaining appropriate clinical notes

The role will be instrumental in helping to develop and implement service improvements for the betterment of patients in Gloucester and surrounding areas.

The successful candidate will be supported with local, regional, and national training to develop their clinical skills to support the service.

We aim to deliver a first-class service for users whilst applying the most advanced and exciting clinical and technical solutions available to patients.

**Qualifications:**

Either:

- Certified Orthotist
- HND Orthotics
- BSc Orthotics

Must also be fully HCPC Registered and preferably members of BAPO.

Must hold a current and valid full driver's license

**What do we offer**

- Competitive market salary
- Industry-leading training opportunities
- Access to innovative scanning and 3D technology
- Management development
- Support to attend UK & Global clinical conferences
