

Job Advert

Clinical Lead Orthotist

Exeter

Job title: **Clinical Lead Orthotist**

Location: **Exeter - Orthotics Service**

Opcare, part of the AM Healthcare Group, is the largest supplier of prosthetic and orthotic services to the NHS. As a company we aim to continuously improve the services we deliver and develop those who work for us.

Looking to take the next step upwards in your career pathway?

Looking to join one of the fastest growing clinical service delivery companies in the UK?

Do you:

Want to join an organisation and team that believes in putting the patient first and focuses on improving the lives of individuals through innovation and service development?

Want to join a team that focuses on staff and people development?

Working at Opcare Exeter:

Opcare Exeter is an established prosthetics and orthotics service and is based in The Exeter Mobility Centre in a purpose-built facility. All staff work closely with each other across departments to ensure a high-quality service is provided to our patients.

Opcare provide inpatient, outpatient and community orthotic care for a wide variety of patients. There is a complex mix of adult and paediatric patients, which provides a great opportunity to be exposed to interesting and varied caseloads.

Alongside running general, paediatric, external and in-house clinics, the role leads and supports the day-to-day delivery of orthotic services within the local area. There is opportunity to work across company networks and groups including 3D manufacturing, scanning and clinical governance projects.

Job Summary:

The role holder will lead a clinical team in Exeter in assessing patients in conjunction with other members of the interdisciplinary team as appropriate, ensuring treatment is provided based on best practice. The role holder will support the Centre Manager to ensure the highest standards of clinical, operational, financial, health & safety, environmental and governance within the centre.

Within the Orthotic department there are a wide variety of MDTs and extended practice clinics which the role holder will be leading on including, but not limited to:

- Paediatrics
- Diabetic foot
- Foot and ankle
- Scoliosis and Spinal

Key Responsibilities:

Some of the key responsibilities the role holder will have responsibility for:

- Delivering excellence in clinical patient care to all service users in accordance with the service criteria.
- Line management of the clinical team within their service, building and maintaining a culture which supports personal growth and development and providing mentoring support to less experienced orthotists, graduates, and students; as well as guiding and supporting more experienced staff.
- Effectively managing clinical prescriptive standards in line with company product matrices, and the service budget.
- Creating effective professional relationships with key stakeholders (internal and external) to support the success criteria of the service.
- Evaluating, encouraging and supporting a culture of continuous improvement and innovation within the service and the wider organisation.
- The role will be instrumental in helping to develop and implement service improvements for the betterment of patients in the area.
- Liaising with the on-site workshop and manufacturing team in Exeter, to ensure high quality output.

The successful candidate will join an enthusiastic and busy team, and be supported with local, regional, and national training to develop their clinical skills to support the service. We aim to deliver a first-class service for users whilst applying the most advanced and exciting clinical and technical solutions available to patients.

Qualifications:

Either:

- Certified Orthotist
- HND Orthotics
- BSc Orthotics

Must also be fully HCPC Registered and preferably a member of BAPO

What do we offer:

- Competitive market salary
- Industry leading training opportunities
- Access to innovative scanning and 3D technology
- Management development
- Access to UK & Global clinical conferences

AM Healthcare Group Limited are an equal opportunities employer, we have a clear goal of driving diversity and inclusion across all operations of the group.
