Graduate Orthotist

North and East of Greater London

Exciting opportunity for a Graduate Orthotist to join our established team!

We have an exciting opportunity for a Graduate Orthotist to join our existing team in London. Working primarily in the North and East of Greater London as well as the potential to work in clinics in Essex.

Steeper Group is a true leader in the Orthotic, Prosthetic and Assistive Technology products. In the past 100 years we have grown to become one of the UK's largest suppliers. Steeper's vision is to create life's turning points, together. We aim to do this by delivering innovative prosthetic, orthotic and assistive technology products and responsive clinical services. In 2023, Steeper also became part of the Eqwal family, meaning you would not only be joining a leading UK Prosthetic manufacturer and distributor, but you would also be part of the 4th biggest P&O company in the world.

The Role:

To provide high quality orthotic care and develop a wide range of knowledge and experience with the opportunity to specialise in certain areas.

You will gradually build up your patient caseload, increasing it with time and experience, and be supported by the rest of the team and a designated mentor whilst you do, until you carry a full clinic covering all areas of orthotics.

What we are looking for:

- Individuals who would adhere to Steeper's values at all times and create a positive and collaborative working environment
- Support the business to achieve goals by supporting departmental objectives and targets
- Demonstrate personal commitment to positively communicate and build up strong working relationships with those you work with directly, and across other departments
- Maintain any qualifications or certifications required for your role

If you would like to work with the largest group of Prosthetists and Orthotists in the country, then please apply by sending your CV to hr@steepergroup.com.
