PAEDIATRICS

Company Description

Medfac is a healthcare provider that offers a range of services to NHS and private patients through their clinical providers Halo Medical and Florence Paediatrics. We provide high-quality and experienced clinicians, as well as a manufacturing and product portfolio to cover all aspects of treatment. Medfac tailor every consultation to the needs of the individual, considering all circumstances and setting realistic goals. Our Orthotists work within NHS Hospitals and in a private setting to supply devices that support the body and reduce pain or pathological developments.

Role Description

This is a part time fixed term role for **4months as a Paediatric Orthotist** located in the Cambridgeshire/ Peterborough area, United Kingdom supporting paediatric clinics. The Orthotist will be responsible for supplying devices that support the body, encourage active lifestyles, and reduce pain or pathological developments. The role involves working in MDT alongside physiotherapists to assess and treat children with a range of different pathologies using a combination of made-to-measure and off-the-shelf devices to ensure optimum outcomes.

Qualifications

- Strong knowledge of Orthotics
- Paediatric experience
- Expertise in Gait Analysis
- Excellent communication and interpersonal skills to work with clinicians and patients of all ages
- A passion for helping individuals improve their quality of life and mobility
- Bachelor's or Master's degree in Orthotics
- Applicants must be HCPC registered and preferably members of BAPO
- Good time management skills and ability to work independently or as part of a team

What we can offer

- Competitive Salary
- 25 days holiday (rising with service)
- Pension
- Strong CPD programme
- Health & Dental cash plan

To apply for this fantastic opportunity to join our clinical team please send application details to Victoria.long@halo-medical.co.uk by 19th September 2025
