

## **Prosthetist Ottobock - Cleveland**

Otto Bock's prosthetics, orthotics, mobility solutions and neurostimulation products ensure independence and quality of life for people with physical mobility challenges.

Otto Bock UK has been established for over 40 years with a professional and knowledgeable clinical, product sales, service and support team, providing service excellence to our many customers.

An opportunity has arisen for a full time Prosthetist to be based at our branch at the Disablement Services Centre in James Cook University Hospital, Middlesbrough.

We are looking for an enthusiastic and motivated Prosthetist to join our small team of Prosthetists and technicians. The centre is at the foot of the Cleveland Hills and has easy access to the North Yorkshire Moors and North East coastline.

Larger cities of Newcastle and York are within 60 minutes' drive. As a Prosthetist you will be responsible for your own workload including rectifying your own casts. Manufacturing is done onsite by our fully staffed and equipped workshop.

The successful candidate will be a team player expected to undertake a full and active role in contributing to service development.

You will have the opportunity to exchange knowledge, support and resources with your colleagues in house as well as receiving support from the clinical specialists of the worldwide Ottobock Group.

This position would ideally suit an experienced Prosthetist, however recent graduates will also be considered.

The successful candidate should demonstrate an ability to work well as an individual as well as part of a team, including the wider multi-disciplinary team.

Applicants should have a BSc (Hons) P+O or equivalent and registered with the Health Care Professions Council (HCPC) and/or country specific professional body.

The applicant will need a current full driving licence.

They should preferably be members of BAPO.

Competitive salary and benefits package offered.

**Closing date: Friday 10<sup>th</sup> October 2025**
