

ORTHOTIST POSITION - NORFOLK AND NORWICH

Bring your skills, your curiosity, and your voice. At TayCare, you'll find a team that learns from each other, looks out for each other, and gives you the structure to grow—with the autonomy to thrive. Join a team that blends fresh thinking with deep expertise. TayCare Medical Ltd. has an exciting opportunity for an Orthotist to strengthen our Norfolk service and we welcome applications from newly qualified and highly experienced clinicians; part-time options are available.

Why TayCare?

TayCare is a family-owned, orthotics-only company, proudly celebrating 100 years in business. Our team includes 21 Orthotists and 60+ technicians, united by a simple focus: exceptional patient care powered by high-quality products. We provide a full range of orthotic services to the NHS and private patients, with national operations and manufacturing facilities in Leeds and Birmingham producing custom orthoses and footwear that underpin our clinical quality.

The Role

Based in Norwich and across NHS sites in Norfolk, you'll join an experienced, friendly team with outstanding learning and development opportunities. Your caseload will be varied and rewarding, including:

- Complex scoliosis bracing and dedicated paediatric clinics (more details available on request)
- Multidisciplinary clinics with other AHPs across MSK, neuro rehab/stroke, diabetic foot care, and inpatient trauma

We offer the best of both worlds:

- Structure & guidance: clear frameworks, supportive supervision, and a high-quality preceptorship for new graduates
- Autonomy & trust: space to exercise clinical judgement, shape your clinics, and contribute ideas that improve care

You'll collaborate closely with skilled technicians, dedicated administrators, and an approachable, clinically led management team. Experienced clinicians can act as mentors and clinical educators, while newer clinicians benefit from hands-on support and peer learning.

Life in Norwich

Less than 2 hours from London, Norwich offers a blend of lively culture and calm, green spaces, independent cafés, theatres and shops, minus the big-city crowds. More affordable than London or Cambridge, with easier commutes and day-to-day costs. The coast and the Norfolk Broads are perfect for weekends of walking, cycling, and water sports.

What We Offer

- Highly competitive salary
- 25 days' holiday plus Bank Holidays (pro-rated for part-time)
- Mileage and car allowance
- Dedicated CPD time and a comprehensive training package
- Scope to lead or contribute to company projects

What You'll Need

- HCPC registration (by start date)
- Full UK driving licence
- Enhanced DBS check completed prior to employment
