

Job Advert

Prosthetist, Leeds

Exciting opportunity for a Prosthetist to join our established team in Leeds

We have an exciting opportunity for a new Prosthetic clinician to join our existing team at Leeds.

Steeper Group is a true leader in the Orthotic, Prosthetic and Assistive Technology products. In the past 100 years we have grown to become one of the UK's largest suppliers. Steeper's vision is to create life's turning points, together. We aim to do this by delivering innovative prosthetic, orthotic and assistive technology products and responsive clinical services. In 2023, Steeper also became part of the Eqwal family, meaning you would not only be joining a leading UK Prosthetic manufacturer and distributor, but you would also be part of the 4th biggest P&O company in the world.

The Role:

A prosthetist designs, fabricates, and fits artificial limbs (protheses) for patients who have experienced limb loss due to congenital conditions, amputation, or injury, helping them to regain mobility, function, and independence. Their role involves assessing patient needs, working with technicians to create the custom-fit devices, and providing follow-up care to ensure proper fit and function.

Responsibilities:

- Promote high standards of care to service users across a broad ranges of amputation levels.
- Act in a professional manner to colleagues, service users and their families at all times.
- Assess, measure, cast, fit, deliver, supply, review and adjust prosthesis as required across a range of amputation levels, both upper and lower extremity
- Cast and rectify models in a timely fashion using both traditional methods and CAD/CAM where appropriate.
- Manage the patient's case, including patient expectation, ensuring the individual's needs are respected and ensuring the patient is informed throughout the process with clear explanations of proposed interventions.
- Work within the parameters of accepted "best practice" at all times using evidence-based practices to ensure that all aspects of practice conform to clinical governance.
- Work as part of a multi-disciplinary team to ensure the most appropriate and effective treatment for service user
- Support colleagues and the wider MDT through collaborative working
- Support student and apprenticeship clinicians by sharing learning experiences and mentorship

What we are looking for:

- HPCP registered prosthetic clinician with some clinical experience desirable
- Experience in lower limb prosthetics and upper limb prosthetics prescribing
- BSc Hons in Prosthetic and Orthotics or equivalent, required to qualify for HPCP registration
- Good computer skill and presentation skill

- Experience with Word, PowerPoint, Excel and other MS Office products
- Experience with Cad system desirable
- Good communicator
- Any other relevant qualifications or professional memberships

What we offer:

- Competitive salary
- Incremental holiday allowance (rising with service)
- Employee discount platform
- Employee Assistance Programs
- Qualification support
- Flexible working
- Refer a friend incentive
- Cycle2work scheme
- Subscription and registration fees paid e.g. HCPC
- Continuous professional development plans with internal and external training and courses available

Familiarity with CQC and safeguarding responsibilities (or a willingness to learn)

If you would like to work with the largest group of Prosthetists and Orthotists in the country, then please apply by sending your CV to hr@steepergroup.com.
