# Let's Go Physio!

Children & Adults Rehabilitation

### Senior Orthotist & 2D Gait Analysis Specialist

Join Our Leading Private Physiotherapy Practice **Let's Go Physio!**

Are you an experienced Orthotist looking for an exciting new challenge? Are you passionate about improving patients' lives through innovative orthotic solutions and advanced gait analysis? We have an exceptional opportunity for a Senior Orthotist to join our thriving private physiotherapy practice in Nelson.

### About the Role

As our Senior Orthotist, you'll play a pivotal role in delivering high-quality orthotic care and managing our state-of-the-art 2D Gait Analysis clinic. This position offers a unique blend of clinical expertise, leadership, and cutting-edge technology application.

### Key Responsibilities

Provide expert orthotic assessments, prescriptions, and treatments for a range of musculoskeletal and complex neurological patients

- Assess, measure, cast, fit, supply, review and adjust orthoses as required
- Maintain appropriate clinical notes and records
- Able to prioritise and manage workload
- Manage and develop our 2D Gait Analysis clinic
- To develop and lead our Scoliosis service alongside Schroth trained physiotherapists
- Lead a team of dedicated professionals
- Collaborate with physiotherapists and other specialists in both the public and private sectors
- Drive service development and implement best practices

### What We're Looking For

- Applicants must be HCPC registered and preferably members of BAPO
- Degree in Prosthetics and Orthotics
- Minimum 5 years of clinical experience as an Orthotist

- Expertise in gait analysis and biomechanical assessment
- Able to manage challenging, difficult and sensitive situations
- Strong leadership, communication and decision-making skills
- Proficient in IT and clinical report writing
- Passion for patient care and service excellence

## What We Offer

- Competitive salary package
- Opportunity to work with cutting-edge technology
- Continuous professional development support
- Collaborative and innovative work environment

**Salary** - £54,710 - £61,309 pro-rata, depending on experience

**Part-time Permanent** – 3 day, 22.5 hrs a week

**Location:** Nelson, Lancashire and across the north-west

**Closing Date:** 26.11.25

**Interview Dates:** 05.12.25 and 08.12.25

If you're ready to take your orthotic career to the next level and make a real difference in patients' lives, we want to hear from you. Join our team and be part of a practice that's shaping the future of orthotic care and gait analysis.
