

The British Association of
Prosthetics and Orthotics

ADVERTISING 2026

BAPOCONNECT

The British Association of Prosthetics and Orthotics (BAPO) provide advertising services via 'BAPOConnect', a high-quality prosthetic and orthotic publication, which is published three times a year for distribution to around 1,000 BAPO members, affiliates and associates as well as external mailing lists in the UK, Europe and the rest of the world.

The magazine has nine full page advertising slots available. If necessary, advertising space may be increased to a maximum of eleven full page slots at the Editor's discretion. Also, one A4 loose-leaf insert is available within any single BAPOConnect publication. Please note that space tends to sell very quickly, and you are encouraged to book early to avoid disappointment.

Acceptance of orders will be confirmed by BAPO in writing and is on a 'first-come, first-served' basis. BAPO operate a Professional Courtesy Policy for existing advertisers, which allows them to retain their existing advertising slots. Reservations for three issues will take priority over reservations for one issue. The 3-issue discount will only be applied to block bookings for 3 issues or more.
